the steps of noted public monuments to a soundtrack of bombastic rock music. The film's release is scheduled for 2011.

SCARBOROUGH FAIR

This month we produced and staged a rehearsed reading of "Scarborough Fair" by SJ Hills at the Jermyn St Theatre with a fabulous all star cast of 19! The cast included Roger Hammond, Russell Tovey, Heather Peace, Chris Villiers, Jon Glover, Scott Capurro, Robin Cousins, Tricia George, Nick Malinowski - to name but a few. This adaption of The Relapse brings elements of the original classic restoration drama to wider audience appeal by staging it in glorious 1920/30s England. Described as a cross between Wilde and Blackadder. Industry response has been very positive.
