## STEFANIE POWERS

Representation: Alexandra McLean-Williams

Stefanie Powers began her career at age 15 dancing briefly for Jerome Robbins before her first movie role and has worked consistently year on year since. Stefanie has enjoyed a long and hugely successful career and is instantly recognisable from playing popular roles such as Jennifer Hart in the long running television series Hart to Hart.

Her diverse life and career is reflected in the many film, stage and theatre roles in which she has starred, Stefanie has won an Off Broadway Award for Best Actress for her portrayal of Norma Desmond in Sunset Boulevard. She is truly a person who justifies the title 'star' and as such would bring a touch of glamour and sophistication to any role that she is cast in.
